Britain Fails to Reach Terms-Valley League Directors

Waterbury, Conn., June 6—Dan Mur-hy, owner of the New Britain State ague baseball team, and Jack Hoey, manager, met with the directors of the doubles will be played temorrow.

PACING SEASON. Sidewheelers Win Enthusiasm of the

Valley league. It is said that the Vailey league directors asked for a guarantee of not less than \$50 and expenses for each Sunday, and Murphy would not give more than a straight guarantee of \$35. This means that the last chance of Waterbury for a state league team and Sunday ball has been lost.

Challenge from South Windham Nine.

The South Windham besebail team received rather severe treatment from the Hanover team on Saturday, June 1. The Hanover umpire gave poor decisions throughout the game, so in the seventh iming the South Windham nine, after having knocked two of their opponents best pitchers out of the box, was called from the field by Captain Fisher. Score, Hanover 10, South meeting the sout is large for sook a was called from the field by Captain Fisher. Score, Hanover 10, South Windham 5, The South Windham team challenges any team between the ages of 18 and 21. Chas. H. Backus, Jr., manager.

AMALGAMATED AT 88. Copper Stock Reaches Its Highest Mark in Two Years.

New York, June 6.- The advance in stocks was continued today, making the third consecutive session of higher the session were uncommonly large and diversified, though much of the clivity was in the industrial division the comparative neglect of the rail-ay issues. Another advance in the price of copper here and abroad served to atimulate the menal stocks. Amalgamated rising to 88, its highest price in over two years, with a general hardening of allied shares. United States Steel rose on extensive opera-tions to its heat price in over a fortons to its best price in over a fortnight, and American Smelling was seemingly in good demand.

seemingly in good demand.

The early advance ran to a point or better in Reading, Lehigh Valley, Louisville and Nashville, Brie second preferred and Denver and Rie Grande preferred among the transportation stocks, while a score of industrials with a smattering of utilities gained from one to four points. In one instance, that of American Snuff, an advance of more than 10 points was re-

ance of more than 10 points was re-orded before midday. Much of the early activity died down in the afternoon, with some irregulari-ty of prices, a few of the more promty of prices, a few of the more prom-inent issues declining to a fraction under yesterday's close. From this level fresh buying started another advance, the copper shares attaining their best quotations, with isolated movements elsewhere, as, for instance, in Pennsylvania, which announced some new financing by the sale of \$6,000,000 of four per cent, equipment certificates running from one to ten certificates, running from one to ten years. Norfolk and Western, which is under Pennsylvania control, also beame moderately active at a substantial advance, presumably in response to its excellent April earnings. In the final hour much of the early animation was resumed, with higher prices all around, the leaders being such old-time favorites as Union Pacific and Steel. The closing was notable for another spurt in the metal stocks and more miscellaneous issues, while the coalers reflected sub-surface selling. Crop news was plentiful and resulty

Reginning of the federal inquiry into the se-called "money trust" was watched with some interest, and the senouncement of the investigators that te proceedings are to be limited in The offering of \$28,000,000 New York state four per cent, hands was for-nally made at Alberty inday. Up to be close of the market bids were still eing received, indicating that the en-tre lot would be subscribed for, but the average price was hardly calculat-in the inspire confidence in investment

discounts steady, was the hig rise in coppers. The metal was quoted at an advance equivalent to over 15 per ton from the previous day's close.

Bonds as a whole were firm except for weakness in Denver and Rio Grande fours: Chino Copper sixes rose eight points. Total sales, par value, aggregated \$2,713,660.

medal for the world's walking cham-

Before British Board of Inquiry. London, June 6.—The disaster to disscames Titanic his done little to alter the views of Harold A. Sanderson, a director of the White Starline, as to the sufficiency of the equipment of transatlantic steamers for all practical purposes. The shipping man was called by the wreck commission today and deputed the usefulness of additional lifeboats. or searchlights, binoculars and larger crews of seamen, but he added: "There

is a popular cry for bineculars and extra boats and we want to satisfy it."
"There are," continued Mr. Sanderson, "certain risks coming from the sea which it is impossible to eliminate just as there are on land." The witness declared that small to ship or from ship to land and said that if more seamen were carried in order to man additional beats they would have nothing to do until there

was a wreck, "Searchlights," he declared, "would be worse than useless. They would be a positive sourceof danger. The wrost thing possible for a lookout is the giare of light."

BLOWS STRUCK IN

NEW MEXICO HOUSE Battle Over Election of Senators Reaches Fighting Stage.

Santa Fe, N. M., June 6,-The New Mexico house late today, after a secson in which members came to blows and the surgeant at arms had to clear the speciators' galleries to restore or-der, rescinded his decision not to vote for United States senator and re-ciected United States Senator A. B. Fall, The house cast 15 votes for Fall and two votes for Speaker R. L. Baca, Twenty-two members, including all of the democrats, progressive republicans and three regular republicans, refused to vote. The house then invited the next six-year term beginning March 4, 1913.

Testimonial

T had been a great sufferer for years before humaing of Figure-O-Gin. I had misplacement, fainting spells, constant headachs, and other female troubles, which made me feel very weak. I injed different doctors, but neme gave me sellet, as I took Viburn-O-Gin and it selieves me so much that I want you to spread the news of what it has some for me. It certainly will do as much for other sick women."
